

Medium of Instruction Master in Management at FAU

To Whom It May Concern,

This is to certify that the Master of Science in Management program at Friedrich-Alexander-University Erlangen-Nuremberg can be fully studied in English language. This means, English can be completely chosen as the medium of instruction within this program.

As an alternative, our program can also be studied fully in German language or as a mix of both languages. **In case a person has received an admission, we confirm that this person fulfills the required language requirements.**
